*"Bravo!! Bravo!!! *standing ovation* EXCELLENT show, my brother!!! I LOVED IT!!! You can tell by the way I distracted you by laughing so hard. Can't wait to give you my two cents. (And it will be just that. . .two cents because the show was really good.) I'm so proud of you! Luv ya!"*

"IronE...WOW! The show was A-MA-ZING!! So much more than I expected. The fact that you brought us back full circle at the end was brilliant. The talent show scene had me laughing so hard! I could not believe that you actually did those dances! LOL! I can't wait to see you in 'Somebodies'. Much success to you! "

"Yo, you did your thang! The play was funny as hell yet thought provoking! PROFOUND!! Congrats"

"Okayyyy.... the Resurrection of IronE was unreal. My hat goes off to IronE and his wife for her unwavering support to her husband. We THOROUGHLY enjoyed ourselves. We laughed and "dayum" near cried. Each character was intense and VERY believable. I keep telling you man :YOU ARE ON YOUR WAYYYYY! Furthermore, when I said "You are ready for Hollywood, but they ain't for you." I truly meant that as the utmost compliment, in that they will look at you as a believable "brother" initially, until they discover your range...My, how surprised they will be. Don't you remember how Terrence Howard went unnoticed for so long and then finally one day, he MADE them look. So will you! I wish you and your wife and the babies much success on your journey."

"IronE... its a lot i wanna say bout what da sho did for me but unfortunately i failed mrs duncan class (typing) so i'll be here all day tryn to type one wpm lol... but ima say dis and hope it continue to inspire you(as if u need it). da most important thang ur sho did for me was convicted my spirit.....so thank you and yo lovely wife for da play and for being examples as to how marriage should be. stay blessed brotha.."

"OMG!!!OMG!!!IRONE SINGLETON. I am speechless & so very proud of U!! Man, U ripped it!! I thought that the last play (Dracula) that I attended that U were N was great, Great is an understatement for "The Resurrected". It was truly a pleasure for me 2 B in ure presence last night. Anyone that has not seen ure show, has really missed out. All of those characters that U played were just simply amazing. The music and the lights were all on point. The message that U delivered was well received. U were completely Energized for the duration of the show. U took me on an emotional rollercoaster & I loved it!!! Every since I've known U, U been driven....and U have the woman that God created for U... 2 keep U focused well grounded right by Ure side... U R Soaring high right now but that is nothing compared 2 the plans that God has in store for U. "

"IronE was excellent in the One Man stage show. It was so real with no props, I could imagine different settings going on while he was talking. The boy is talented! I had to control my husband laughing. He was crying tears. Very detailed throughout with everything he spoke on...GOOD JOB...Next time we will get the WORD OUT!"

*"Wow!! This script is pretty d*** incredible! D*** man! It's really good. I mean, really good. This script is great and so is the soundtrack. You've done a great job E! You hit on so much in this entire script [IronE... The Resurrected] it will take me a while to even talk about it or even write. Good stuff. Stuff the community needs to hear. This play could very well be the next 'great' work when it comes to the consciousness of not only our people, but all people."*

Brother IronE! Congrats on what I hear was an outstanding performance. Take care and keep on doing what you're doing!
